**What membership entails**

**TSA exists to promote awareness of the telecare industry, to set and raise standards for the products, services and practice within the industry, to identify and promote good practice and to support networking between members**

TSA is the trading name of the Telecare Services Association, a company limited by guarantee (£1). An application for membership of TSA is an application for membership of the company. Members of TSA have rights and responsibilities. Supply Sector Members have the voting rights of Full Members. They are bound by the rules of the company and must pay any annual membership contribution set by the Board or such additional call on members as may be agreed by the membership at a General Meeting of the company. Once an application for membership has been accepted, any resignation must be delivered in writing to the company's registered address. (A copy of the Telecare Services Association Articles of Association is obtainable on request from the Company Secretary).

**Data Protection Act 1998**

Information provided to TSA will be held in an information system and processed by TSA for the purposes of membership and financial administration, customer care, delivery of membership services and TSA's own marketing and research purposes. Processing may involve the production or display of personal contact information in paper or digital form on public or private information processing or display systems, including TSA's web site.

From time to time, TSA may provide mailing services (labels or data file) to selected third parties to introduce their products or services. Should you not wish your name and address details to be supplied to third parties for this purpose, please tick the adjacent box.
